How to Become a Licensee

It only takes a few steps to apply for an inlingua license.

First
Contac

Complete our online application form on: www.inlingua.com/licensee If you have any queries, feel free to call or email.

Complete Folder A

If your preferred license area is still available, we will send you our application Folder A, and ask you to complete it.

Complete Folder B

Upon evaluation of your business idea presented in Folder A, we will provide you with our application Folder B (financial business plan).

Interviev

After receipt of your completed Folder B, and if your plans sound promising to us, we will arrange an (online) interview with you and our Board of Directors.

Board Decision

After the interview, we will inform you about the decision made by the Board of Directors.

Contract

If the Board of Directors approves your application, the license contract will be sent to you for your signature. After payment of the entry fee, we will countersign the license contract and return one copy to you.

Start Operations

Upon receipt of the countersigned license contract, you can immediately start operating under the inlingua name.
